85 A building as per present plan, estimated to cost Rs.4,250/- will certainly not meet the requirements of the Basavangudi Dispensary where the attendance is very high. The daily average during 1924 was 162.62. A verandah big enough to allow room for twenty-five to thirty waiting patients, composed of men and women is a necessity. A kitchen to boil water, etc., and a latrine are also essential. To meet all these requirements sufficiently, the original plan costing Rs.5,110 will have to be adopted.

86 If the costlier plan is to be adopted, or the donor is not disposed to give any thing [illegible], Rs.4,200/- the deficiency will have to be made up by the local bodies and the Government. The Municipal Council has already intimated its unwillingness to contribute towards the cost of the building as it has granted a free site in a locality where land is valuable. It is doubtful if the District Board will feel inclined to contribute in view of the fact that the institution will mainly benefit the residents of the Basavangudi Extension which lies outside the jurisdiction of the District Board.

From whichever funds the extra amount is to be met it is not fair that the entire building should be allowed to be named after the wife of the donor when his contribution covers only a fraction of the cost. It was in conformity with this wish of the donor and his unwillingness to enhance his contribution, I had to countersign and return the estimate

22 6257

estimate under disposal, although I was sure it was utterly insufficient to meet the requirements adequately.

48 If the Government should be pleased to order the construction of a building to suit the requirements of the extension and to contribute the difference either from the State Funds alone or from the State and District and Municipal Funds, the donor cannot be entitled to more than an inscriptio indic ting the extent of his contribution as already suggested in my letter of the 20th August 1923.

49 As regards other ways of utilising the amount on medic l relief, it may be used to endow one or two beds in the female w.rds of any of the hospitals in Bangalore such beds being named after the donor's wife, or to construct a new ward in the Leper Asylum which requires to be extended. Such a ward could be named after the deceased lady. No medical charity could be regarded more merciful than th t of giving relief to Lepers. But it is a point whether the donor would agree to his charity taking any other form than a whole public dispensary in a busy part of a busy extension and to be named after his deceased wife. A ward for waiting women, which is an urgent necessity in the Bangalore Maternity may also be suggested.

Bangalore,
28th May 1925.

100 I have no objection, provided the cost of the construction of the Ward is not allowed to exceed the contribution. It is usual to have the name of the donor or other individual inscribed in the most advantageous position in the front elevation of the building. Why the donor should prefer to have it on a slab fixed at the entrance is not understood as also what the purpose of the "bigger slab to be supplied by him to be built into the front wall of the ward" is.

Serial No.

124 Draft sanctioning the construction of a septic ward in the Maternity Hospital as agreed to by Mr. R.S. Raja is put up.

122 Two of the conditions are for consideration (1) the Ch. Engineer asks for Estimates charges should be waived. This may perhaps be done (2) Mr. R.S. Raja wishes that if the maternity is shifted from its present habitation a ward will be constructed in the new maternity in the name of Sangaramma. It will seem that this condition has been accepted in other cases. It may be accepted in this case also.

123 The draft proposes the acceptance of the two conditions

124 The draft is for approval and sanction

133 **Final Note by the Second Member of Council.**

Subject:—

Mr. K.S. Aiyar's offer of Rs.4,200 for the construction of a Lying-in-ward in the Bangalore Maternity Hospital in the name of his late wife.

Mr. K.S. Aiyar, B.A., F.S.A.A., Shankarpuram, Bangalore City, T offered the sum of Rs.4.200 billed for by him in connection with the examination and scrutiny of the Sivasamudram accounts, for the construction of a dispensary building in the name of his late wife. to serve the needs of the residents of Basavangudi, Shankarpuram and Visvesvarapuram extensions of the Bangalore City. The Senior Surgeon an K the Chief Engineer were consulted in the matter and as it was found that no dispensary building providing for all the needs of the people of the extensions in question could be constructed for Rs.4,200, a pro Pages 21 & 22 posal by the Senior Surgeon to provide a ward in connection with the Office Notes Maternity Hospital at Bangalore, was suggested to Mr. Aiyar as an alV & U ternative. Mr. Aiyar is agreeable to the proposal on certain conditions, and has countersigned, in token of approval, plan and estimate W. with enclosures for the work in question.

S The donation has been accepted with thanks, and the Chief Engineer of Mysore requested to arrange for the early completion of the work.

These papers are submitted for the gracious perusal of His Highness.

K Chandy

Bangalore, 3rd July 1923

Dear Dewan Sahib,

As it was the desire of my deceased wife that the whole of the fees earned by me during her illness in connection with my investigation of the Sivasamudram Accounts conducted under your orders should be expended on a medical charity in Bangalore, I now beg to offer the amount billed for by me (Rs.4,200) on the 26th ultimo for the building of a dispensary in her name to serve the requirements of Basavangudi, Sankarapuram and Visvesvarapuram areas. Should this offer of mine be accepted, further details in this connection may be settled in consultation with me by the officer or officers concerned to whom you may refer the matter. Dr. Subba Rao of the Victoria Hospital is of opinion that a dispensary building for this area will supply a long-felt want.

Meanwhile, the payment of my bill may be kept in abeyance with aview to the amount being handed over direct to the Department concerned.

Yours Sincerely,

K. Subramani Aiyar

21/8/23

FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

21 AUG 1923

To

The Secretary to Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

SIR,

588

With reference to your Memo No.L.742 dated 28th July 1923, regarding the offer of Mr. K. S. Aiyar to give Rs.4,200/- for the construction of a Dispensary in Basavangudi, to be named after his deceased wife, I have the honour to state that the Chief Engineer and myself inspected the locality and selected a site to suit the wishes of the donor. I also agreed with the Chief Engineer that a building to meet the requirements of a first class dispensary like that of Basavangudi with an average daily attendance of over 100, and be in keeping with the surroundings, will cost from ten to twelve thousand rupees. I therefore addressed the donor whether he would like to contribute the balance or undertake the construction of the building through his own agency according to an approved plan to be supplied to him. I enclose copy of his reply for the information of Governmer

In this connection I would invite kind reference to my letter No.C.2/43-7 dated, 15-8-1923 regarding the proposed Dr. Govindarajulu Gynecological Ward wherein I have expressed myself not in favour of the idea of a public building being wholly named after a private individual, while the private contribution amounts only to a fraction of the cost involved. In that case the contribution is Rs.8,000/- or 9,000/- against an estimate of Rs.10,400/-

In the present case, however, the contribution is only about a third of the probable cost and the donor expects two - other agencies, the municipality and the District Board to share with him the cost of the building and to appropriate the whole credit to himself, which system I am not prepared to recommend either to Government or to the two local bodies. The donor cannot, in fairness, be entitled to anything more than a tablet announcing that "Rs.4,200/- contribution was paid by K.S.Aiyar,Esq. B.A., F.S.A.A., to perpetuate the memory of his deceased wife Sow:. Sangarammal." The building cannot be named after his wife unless he is prepared to contribute the whole cost thereof.

I enclose a copy of letter No. nil. dated 10th August 1923, from the President, Municipal Council, Mysore, which shows that the buildings for the four Branch Dispensaries in the Mysore City were constructed entirely at the cost of the respective donors after whom the buildings are named

I have the honour to be,

S i r,

Your most obedient servant,

Ag. Senior Surgeon.

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
BANGALORE.

Sir,

With reference to correspondence ending with the letter No.L.1708/M1.6-23- dated 29th August 1923, in the matter of the selection of a site for the construction of a dispensary building at the Basavanagudi Extension, I have the honor to state as follows.

2. A suitable site has been selected at the North-Western corner of the Public Square in Basavanagudi Extension in which the Police Station is situated. A site plan has been prepared and forwarded to the Executive Engineer, Bangalore Division, as desired by him. Mr. K.S. Aiyar has also been requested to furnish me with the details of the scheme so that the matter may be placed before a Meeting of the Municipal Council.

3. Originally, the site now selected for dispensary had been assigned to the Education Department for the construction o a building for the Girls' School and now the consent of the Education Department has been secured for relinquishing the site on condition

V.01

condition that a suitable site on the same plot to the east of the present site along the North Public Road is set apart for the School Building.

I have the honor to be,

Sir,

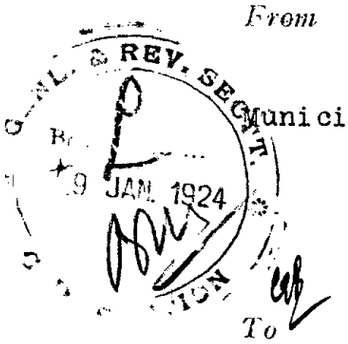
6018-4

From

M. G. Krishnasami Rao, Esq., B.A.,
Municipal Commissioner, Municipal Council,
BANGALORE CITY.



med 6-23-12

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments, Bangalore.

Sir,

In continuation of this office letter No.77 dated 6-11-1923 I have the honor to forward herewith a copy of the resolution of the City Municipal Council approving of the free grant of a site to Mr. K. Subramani Iyer of Bombay at the north west corner of the Police Station, Public Square, Basavanagudi, Bangalore, for the construction of a dispensary building and to request that you will be so good as to obtain early sanction of Government to it.

2. The site as marked by the Executive Engineer, Bangalore Division, measures 200' x 200' but considering that the donation made by the gentleman is only Rs.4200/- a smaller extent viz., 100' x 100' seems enough for the present.

I have the honor to be,
Sir,
Your most obedient servant,
M G Krishnasami Rao
Municipal Commissioner.

Forwarded with compliments.

President,
City Municipal Council,
Bangalore.

With reference to the correspondence ending with your letter No 121 of 23-24 dated the 16th January 1924 forwarding copy of the resolution of the ex-Municipal Council, Bangalore, approving of the free grant of a site to

over.

V. Subramanya Iyer
Bangalore for the

Construction of a dispensary
building at Benares
Sir, I am directed to state that
the Municipal Council Resolution 35
is silent upon the question
of contribution towards the
cost of the construction
of the building, which
is roughly estimated to
come up to about Rs 12000/-
I am accordingly to request
you to be so good as
to place the question
before the Municipal
Council for consideration and instructions
as soon as they can
whether in addition
to the Rs 5000/- promised by the Municipality
towards the construction
of the building and
would eventually bear
the rent which the
Council may have to pay for
the Dispensary at Benares
The question may be
treated as very urgent
and a reply sent as
early as practicable
Yours &c

To

The President,
Dist Board
Bangalore

Sir,

I am directed to state that Mr K. Subbaramaya Aiyar B.A., F.S.A.A Incorporated Accountant has offered a sum of Rs 4200, for the Construction of a building for a dispensary to be named after his late wife at Basavanagudi. Of this one third to be paid free of cost by the Bangalore City Municipal Council at the north west corner of the Bull Station Public Square. Basavanagudi & the Senior Surgeon has reported in Consultation with the Chief Engineer, that the Construction of the proposed building would cost from ten to twelve thousand rupees.

2. As the Construction of the building would result in the saving of the rent now

and the Dist Board. The
Municipal Council has been
requested to state what
Contribution it would make
towards the Construction of
the Building, and I am to
request you to be so good
as to place the matter before
the Dist Board for Consideration
as to what Contribution they
would make for the purpose
and to omit their Resolution
to me

3 The question may be
treated as very urgent
and a reply sent as early
as possible

16. Letter No.L.7117/Med.6-23-13 dated 6-3-1924, enquiring what amount the Municipal Council would contribute towards the construction of a Dispensary building at Basavanagudi, inasmuch as the Council approved of the free grant of a site for the purpose.

Resolution:- Mr.R.Gopalaswamy Iyer proposed that a sum of Rs.2,000/- may be contributed by the Municipality. The proposition was lost for want of a seconder. It was then resolved that the free grant of a valuable site in a very valuable extension was in itself a sufficient contribution and that the Municipal Council were not prepared to make any contribution towards the cost of its construction.

Chief Engineer of Mysore,
Bangalore.

Med 6-23—18

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to Government,
Local and Legislative Departments,
B a n g a l o r e.

SIR,

With reference to correspondence ending with your lette No.L.4670/Med.6-23 dated the 2nd January 1925, I have the honour t forward herewith, for favour of sanction, a plan and an estimate, the latter amounting to Rs 4,250 for the construction of the Singarammal Dispensary building in the Basavangudi Extension of th Bangalore City.

2. The site for the proposed building has been selected at th corner of the Public Square as shown on the site plan herewith for warded.

3. The estimate for the work prepared by the Executive Eng neer for the work amounted to Rs 9,600. The amount contributed by the donor for the work is Rs 4,200; in order to keep down the estimate amount very close to the contribution amount, all non-essential works have been omitted by this office, and fresh plan and estimate providing for essential items of work only were got up. This amounts to Rs 4,250.

4. The Senior Surgeon with the Government of Mysore has countersigned the modified plan and the estimate in token of h approval to the proposals made by this office.

The donor who was consulted as to the design and estimate on a certain occasion has replied that according to the terms of the offer his approval to the plan and estimate is not necessary as the whole matter has been left entirely to the discretion of Government. Hence the donor has not been consulted on the modified design prepared in this office. The donor is not agreeable to pay anything more than Rs. 4,200.

5. According to existing orders in force, Establishment and Tools and plant charges at 10 and ½ per cent respectively have to be levied on all contribution works. Orders are now requested as to whether such charges are to be levied or waived as a special case as was done in the case of Seethamma Ward and Puttanna Chetty Out-patient Block.

6. The work will be put in hand as soon as the estimate is sanctioned.

7. The favour of early sanction to the estimate is requested.

I have the honour to be
Sir,
Your most obedient servant,

S.V. Lakshmana Rao

Med 6-23-19

Sir,

In continuation of this office No.B.13353 dated the 27th March 1925, forwarding, for sanction, an estimate amounting to Rs4,250 for the construction of the Sringarammal Dispensary Building in the Basavangudi Extension of the Bangalore City, I have the honour to request you will be so good as to arrange to place the sum of Rs4,200 contributed by the Donor fpr the work at the disposal of this Department. In your letter No.Z.737-9/Med 6-23-5 dated the 26th July 1923 it has been stated that the amount is in deposit with Government.

I have the honour to be.
Sir,
Your most obedient servant,

For Chief Engineer of Mysore.

The file on the subject has been submitted to the Govt number quoted today vide No 6150. If approved, the return will be awaited.

BASAVANGUDI POST, Bangalore City.

Med 6-23-25

S i r,

With reference to the sum of - - Rs. 4,200 contributed by you for the construction of a Dispensary in the - Basavangudi Extension, Bangalore City, in the name of your wife, I am directed to state that a plan for a dispensary at an estimated cost of Rs. 4,250/- having been prepared by the Chief Engineer, ~~of Mysore~~, the Senior Surgeon - ~~in Mysore~~ was consulted as to the suitability of the plans to meet the needs of the locality. He has stated that the building, as designed in the plan, would certainly not meet the requirements of the Basavangudi Dispensary, where the daily average attendance during 1924 was 162.62 and that a building costing at least about Rs. 9,110 - would be necessary, ~~to meet the minimum requirements would have to be [illegible]~~.

From the correspondence it is - - seen that you are not willing to pay - anything more than what you have already contributed. The deficiency will therefore have to be met either by the Government or the Local Bodies. The

Med 27

Municipal Council have already given a site free land and are not willing to contribute anything towards the cost of the building. The District - - Board may not contribute the balance required in full and on account of - the present financial condition of - the State, it is not possible for -- Government to meet the ~~full extra~~ a cool -- cost. ~~As~~ at present. The construction of a Dispensary building ~~in the name of~~ who called after your wife can be permitted only ~~in case~~ - you can pay the whole of the amount required and ~~as~~ in case the balance is ~~to be~~ finally provided by the Government or Local Bodies, it would be possible only to put up ~~only~~ a tablet with an inscription indicating the extent of - your contribution towards the cost - of the building. I am directed, therefore to suggest for your consideration the - following ~~ways~~ proposals for utilising the --- amount of the endowment ~~as~~ for medical - relief, the charity being named after your late wife Mrs. Singarammal:- in each case, ~~if you pay up the~~ tablet

(i) to endow one or two beds in the female wards of any of the Hospitals in Bangalore, or,

ii) to construct a new ward in the Leper Asylum, which is in need of extension, or

(iii) to construct a Waiting Room for Women in the Bangalore Maternity.

Any of these can be sanctioned in each case. A Dispensary with a tablet of your preference can be taken up when funds can be made available, if it is not possible during the current year.

I am accordingly to request you to be so good as to favour Govern- - ment with your opinion on the above suggestions ~~of the Senior Surgeon~~ at a very early date to enable Government

to take further necessary action in the matter.

I have etc.

L/& L. Secy. to Government.

Local and Legislative Departments,

Bangalore.

Mis 6-23-21

Sir,

With reference to your letter No. L-132/~~His~~ Mis. 6-23.20, dated the 7th July 1925,,I have the honour to state that,under the circumstances detailed in your letter, I shall be prepared and willing to agree to the construction of a"LYI"G-I"-"ARD" in the Rangalore Maternity Hospital in my wife's name on the following conditions:-

(a). That a separate "Lying-in-Ward" be constructed in the Compound of the Rangalore Maternity Hospital, as an addition to those already in existence.

(b). That the Ward be named "SRIMATI SANGARAMMAL LYI"G-IN-WARD and that a slab bearing this name be fixed at the entrance to this Ward and that a bigger slab(to be supplied by me) be built into the front Wall of the Ward.

(c). That an OIL PAINTING of Srimati Sangarammal (tobe supplied by me) be permanently placed on one of the Walls inside the Ward Building.

(d). That no further contribution be asked for fromme, over and above the sum of Four thousand two hundred rupees donated by me in 1923 and now lying as a deposit with the Comptroller.

(e That the accommodation tobe provided in such Ward is to be left entirely to the discretion ofyour Government.

2. I have made some enquiries about the accommodation available in that Hospital. I believe that the Senior Surgeon agree with me that an Additional Lying-in-Ward is highly desirable some of these patients are now accommodated in the building provided for the Administrative Offices and the Dispensary. Such patients may hereafter be accommodated in ~~a portion of the building at present~~ the ward now proposed to be built, and 'waiting women' accommodation in a portion of the Building at present used for administrative purposes. I feel that a LYI"G-I"-WARD

GEN. SECTT. G. D. SECTION. 23 DEC. 1925

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to Government,
Local and Legislative Departments,
Bangalore.

SIR,

With reference to your letter No.L.2132/Med.6-23-22 dated the 16th September 1925 to the address of the Senior Surgeon in Mysore, I have the honour to forward herewith, for favour of orders, an estimate amounting to Rs 4,200 for the construction of a Septic Ward in the compound of the Maternity Hospital at Bangalore.

2. It will be seen from the report attached to the estimate that the plan has been got up by the Executive Engineer in consultation with the Medical Officer in charge of the Hospital and the accommodation provided is as per actual requirements.

3. The plan, estimate and site plan have been countersigned by the Senior Surgeon in token of his approval to the proposals made.

The Senior Surgeon while forwarding the estimate countersigned has desired that the floor be provided with Marsailles tiles and wall glazed to a height of 3 feet to admit of a thorough cleaning and the ceiling painted white. If the proposal to have the Septic Ward in the Maternity in lieu of the Hospital at Basavangudi as originally contemplated be approved, the minor alterations proposed will be attended to if they can be carried out

without exceeding the amount given by the donor before conveying technical sanction to the estimate.

4. The estimate does not provide for the usual establishment and Tools and plant charges. Orders are solicited as to whether this charge has to be waived as has been done in certain cases.

5. The favour of very early orders are solicited.

Sir,

With reference to your letter No. L5123-med-6-23-24 of the 8th instant, I have the honour to signify my approval of the Chief Engineer's plans and estimates for the construction of "Srimathi Sangarammal Septic Ward" in the Government Maternity Hospital, Bangalore, and to return herewith the plans and estimates with my approval endorsed and signed on the same.

2. The estimates provide for the cost of a stone tablet and engraving the necessary inscription thereon. I herewith append a draft of the inscription to be engraved on the stone tablet. The tablet will have to be about eighteen inches in width and about four feet in height or depth. The inscription in Engish is to be engraved on the upper portion of the tablet, and the same inscription is to be engraved in Kanarese on the lower portion of the Tablet. I request that the Engineer in charge of the construction may be instructed to order this inscription to be engraved on the tablet and to build this tablet into the front wall of the Ward next to the doorway.

3. The Oil Painting of Srimathi Sangarammal will be handed over by me to the Engineer in charge who may be instructed to
